

At Dominick Fuel, Conserving Energy Matters

It's easy being green! Conserving energy – and saving money, too – are a cinch when you enroll in one of our comprehensive service plans. By enrolling in a service plan, which includes your tune-up, your heating equipment will run more efficiently, so you'll use less fuel – and that's a great way to reduce your carbon footprint. In addition, a service plan provides valuable protection of your home comfort system and peace of mind for you and your family.

- **Primary Plan** – includes your annual tune-up and nearly 4 dozen parts plus labor
- **Extended Protection Plan** – includes everything in the Primary Plan, plus nearly 3 dozen additional major parts, to give you maximum protection

PLUS

- **Oil-Fired Water Heater Plan** – purchased in conjunction with a heating system plan
- **Indirect Hot Water Heater Plan** – purchased in conjunction with a heating system plan

PRIMARY PLAN

- Covers many things that typically go wrong with a single zone system (for multi-zone systems, see *Extended Protection Plan*)
- Provides excellent protection and peace of mind
- Includes hot water and warm air systems
- Includes your tune-up to increase system longevity and performance
- Includes around-the-clock emergency service

Dominick Fuel will repair or replace during the term of this service plan, with no charge for parts or labor, any of the following items which may become defective due to normal use or wear and tear:⁶

Controls

- ◆ Aquastat
- ◆ Cad Cell Eye
- ◆ Cad Cell Relay
- ◆ Double Aquastat
- ◆ Electronic Primary Control
- ◆ Emergency Switch
- ◆ High Limit Control

- ◆ Low Limit Control
- ◆ Reverse Aquastat
- ◆ Thermostat (non-programmable, one per year)

Burner Replacement Parts

- ◆ Air Shutter
- ◆ Burner Blast Tube³

- ◆ Burner Coupling
- ◆ Burner Fan
- ◆ Burner Motor (up to 1/7 hp)
- ◆ Buss Bar
- ◆ Transformer Leads
- ◆ Electrode Assembly
- ◆ Electrodes
- ◆ End Cone³
- ◆ Ignition Transformer
- ◆ Ignition Wiring
- ◆ Nozzle
- ◆ Nozzle Assembly³
- ◆ Nozzle Line
- ◆ Porcelain Insulators

- ◆ Air Filter⁴
- ◆ Blower Fan Belt
- ◆ Blower Motor (up to 1/3 hp)

Warm Air Systems

- ◆ Blower Pulley
- ◆ Direct Drive Blower Motor (up to 1/2 hp)
- ◆ Mechanical Fan and Limit Control
- ◆ Circulator Relay (single)
- ◆ Circulator Wet Rotor (up to 1/25 hp)
- ◆ Fuel Filter Complete
- ◆ Fuel Pump
- ◆ Fuel Pump Couplings
- ◆ Fuel Pump Gasket
- ◆ Fuel Pump Strainer

- ◆ Blower Pulley
- ◆ Direct Drive Blower Motor (up to 1/2 hp)
- ◆ Mechanical Fan and Limit Control
- ◆ Circulator Relay (single)
- ◆ Circulator Wet Rotor (up to 1/25 hp)
- ◆ Fuel Filter Complete
- ◆ Fuel Pump
- ◆ Fuel Pump Couplings
- ◆ Fuel Pump Gasket
- ◆ Fuel Pump Strainer

Hot Water Systems⁵

- ◆ Circulator Coupling
- ◆ Circulator Motor (1/12 hp max)

- ◆ Circulator Relay (single)
- ◆ Circulator Wet Rotor (up to 1/25 hp)
- ◆ Fuel Filter Complete
- ◆ Fuel Pump
- ◆ Fuel Pump Couplings
- ◆ Fuel Pump Gasket
- ◆ Fuel Pump Strainer
- ◆ Delayed Oil Valve
- ◆ Delayed Oil Valve Coil
- ◆ Fiformatic Valve (at pump)

You will receive 10% off repair labor performed during regular business hours that is not covered under the Primary Plan.

- ¹ Honeywell or White-Rodgers, one replacement per year, does not include replacement of batteries or programming.
- ² Skuttle and Aprilaire; attached to hot air furnaces only.
- ³ Beckett or Carlin only.
- ⁴ Covers one standard, one-inch, disposable filter per year during tune-up.
- ⁵ Covers applicable parts for only one space heating zone per year. See *Extended Protection Plan* for additional space heating zone coverage.
- ⁶ See Terms and Conditions.

TUNE-UP

Both the Primary Plan and the Extended Protection Plan include a tune-up each year.

- ◆ Inspect combustion chamber
- ◆ Clean and check electrodes and nozzle assembly
- ◆ Replace air filters, oil filters and burner nozzle, if necessary
- ◆ Oil all motors on burner, blower and circulators
- ◆ Check all safety and operating controls
- ◆ Check oil tank and lines where accessible

EXTENDED PROTECTION PLAN

- Includes everything in the Primary Plan (see left), plus the significant addition of the major items listed below⁶ and continues to provide excellent protection and peace of mind
- Covers multi-zone systems

Parts

- ◆ Automatic Air Vents (boiler)
- ◆ Automatic Water Feeder
- ◆ Blower Bearings
- ◆ Blower Circuit Board
- ◆ Blower Motor (3/4 hp max)
- ◆ Blower Shaft
- ◆ Blower Wheel
- ◆ Circulator Bearing Assembly (up to 1/6 hp)
- ◆ Circulator Complete (up to 1/6 hp)
- ◆ Circulator Wet Rotor (up to 1/25 hp)

- ◆ Circulator Relays
- ◆ Clock Thermostat¹
- ◆ Damper Motors (furnace only)
- ◆ Extrol Tank (up to #60, not floor model)
- ◆ Flow Control Valve
- ◆ Flue Smoke Pipe (up to 10 feet)
- ◆ Humidifier Float²
- ◆ Humidifier Motor²
- ◆ Humidifier Solenoid Valve²
- ◆ Low Voltage Transformer
- ◆ Oil Tank Gauge
- ◆ Oil Tank Vent Alarm

- ◆ Relief Safety Valve
- ◆ Zone Panel
- ◆ Zone Valve Complete (hydronic)
- ◆ Zone Valve Motor
- ◆ Zone Valve Powerhead

Steam Systems

- ◆ Blow Down Valve
- ◆ Electronic Feed Valve
- ◆ Gauge Glass
- ◆ Low Water Cutoff (probe type)
- ◆ Pressuretrol Control

You will receive 15% off repair labor performed during regular business hours that is not covered under the Extended Plan.

ADDITIONAL SERVICES

Indirect Hot Water Heater Plan

- ◆ Coverage includes aquastat control, circulator, and relief valve
- ◆ This coverage can only be purchased in conjunction with a heating system plan

Oil-Fired Water Heater Plan

- ◆ Coverage includes burner parts, aquastat, controls and emergency switch
- ◆ Annual tune-up of the burner is included and will be performed in conjunction with the tune-up of your heating system
- ◆ This coverage can only be purchased in conjunction with a heating system plan

Loyalty Credits

You will earn a \$50 credit every year you purchase a service plan from us (maximum value \$500). These loyalty credits can be used towards the purchase of new heating and cooling equipment (see chart below listing the allowable credits per item). Credits are not transferable and have value only toward purchases of the following equipment from Dominick Fuel.

Boiler	\$500	Indirect Hot Water Heater	\$200
Furnace	\$400	Central A/C System	\$300
